## [goodreads.com](#)

Are you looking for a good way to keep track of what you've read or would like to read? If so, take a look at [goodreads.com](#).

Here's a little blurb from their site explaining what it is: "Goodreads is a free website for book lovers. Imagine it as a large library that you can wander through and see everyone's bookshelves, their reviews, and their ratings. You can also post your own reviews and catalog what you have read, are currently reading, and plan to read in the future. Don't stop there – join a discussion group, start a book club, contact an author, and even post your own writing. [Signing up](#) is simple – you just enter your name, email, and a password. "

If you join the Brentwood Library page, you'll also get to see what some of our staff are reading and perhaps find a good recommendation. It'll also allow us to find out what you're reading and get recommendations for our collection.
